

## Streets and Roads on the Ohio to Erie Trail (Oct 2020)

**Explanation:** this list is ever changing as we replace city streets and rural roads with paved recreational trail. We have selected, working with local government agencies, street/road routes closest to the OTET that are least traveled by cars and trucks. All are well marked with the OTET State Route 1 signs.

Each one of our maps covers approximately 60-110 miles. The street are urban while the roads listed are considered rural. We have not listed streets or roads that are less than 1/10 mile in length. We estimate that there are 49 miles of the OTET on city streets and rural roads as of Oct 2020. OTET total mileage 326: Streets/Roads 15%; Dedicated Trail 85%.
