

OHIO TO ERIE TRAIL

Trail Guide

NORTHBOUND

NC5 WESTERVILLE - GALENA

The Ohio to Erie Trail traverses Westerville continuing to parallel State St (OH-3). The OTET leaves the WBWR and joins the Genoa Trail and then the Hoover Scenic Trail (HST) as it continues north toward Galena. At the end of the HST the OTET turns right (east) on Old 3C Road. In 200 feet at Dustin Road the OTET turns left (north) which leads to the start of the Galena Brick Trail (GBT). The OTET follows the GBT until it connects to the Sandel Legacy Trail (SLT) on the way to the village of Sunbury.
