

2022 OTET Trail Guide

OTET navigation and planning tool

The 2022 OTET Trail Guide is a set of Old School paper maps for when your smart device's battery dies or you're out of cell tower range. This set of four regional guides contains the following:

- A turn-by-turn narrative for traversing the 27 regional trails that makes up the Ohio to Erie Trail. (Available either Northbound or Southbound)
- Mileage charts for most towns/villages in each of the four regions: North, North Central, South Central, and South.
- List of and location for each of the campsites within 3 miles of the OTET route.
- Q-codes for the Plan Your Trip and OTET Campsites reference materials on the OTET website.
- Trail services and amenities icons located along the 326-mile route, e.g., water, restrooms, parking, bike shops, camping, hotels, restaurants, and ice cream shop!
